TAP HANDLE BRAND INSERT

STEP 1 Download this file to an appropriate location on your desktop. Open up the newly downloaded file.

STEP 2 To assure the inserts are sized correctly for the tap handle, print this sheet at 100% Scale. DO NOT SELECT FIT TO PRINT!

STEP 3 Cut out the inserts as directed. Fold the flaps behind the brand image. For added protection, laminate before cutting.

STEP 4 Insert the branded inserts into both sides of a Bent Paddle Tap Handle.
