

# TAP HANDLE BRAND INSERT

**STEP 1** Download this file to an appropriate location on your desktop. Open up the newly downloaded file.

**STEP 2** To assure the inserts are sized correctly for the tap handle, print this sheet at 100% Scale. DO NOT SELECT FIT TO PRINT!

**STEP 3** Cut out the inserts as directed. Fold the flaps behind the brand image. For added protection, laminate before cutting.

**STEP 4** Insert the branded inserts into both sides of a Bent Paddle Tap Handle.
